Hi,  
  
This location has been scheduled and serviced multiple times. It was scheduled for spot-cleaning and completed on 12/4, 12/9 and 12/10. These operations include identification, documentation, and removal of any and all health hazards, the enforcement of ADA access including: egress/ingress and removing trash, litter, and debris from the public rights-of-way and complies with the CDC recommendation to prevent displacing people and allowing encampments to remain intact so that unsheltered individuals can shelter in place. I believe CDs does intend to continue scheduling weekly CARE service for that area.

Thanks,

Hi Everyone,  
  
It seems that there is now another encampment just a few blocks away, on the Burton Way median at Wetherly. There are several couches, other furniture and a mattress. We are also requesting those to get removed.  
  
Thank you,  
  
Rachel

Thanks, just to confirm, would you happen to know if the encampment falls on the blue shaded region in the map below:

Regardless, I have informed CD5's liaison to prioritize at their earliest convenience.

Hello Rachel,

Request received. I have also added Leon Ho and Matthew Tenchavez from the City to see about getting this these locations schedule. Team, this borders the City of Beverly Hills on the LA City CD 5 side from what I gather.  
  
Best,

Hello,  
  
I was given your contact information from Enrique Martinez. I am one of the social workers with the City of Beverly Hills and supervise our Step Up on Second Homeless Outreach. Over the past few months, there have been two encampments that have continued to grow right outside our city limits. Our outreach team has continued to engage these individuals since they are in very close proximity to our City. At this time, all of the individuals have refused services repeatedly. We are getting a high volume of complaints from residents and businesses, especially as the encampments have begun to grow larger.

## Re: City of LA clean up request

There are two encampments – both are on Burton Way. One is at Burton Way at N. La Peer Dr., and the second one is on Burton Way in between N. Clark and Robertson Blvd.

Please let me know if you have any additional questions. I would appreciate if you could please let me know when the clean up will take place.

Thank you,

Rachel
